"BEATING THE ODDS"**

Harry T. Morey supported by an all star cast including Betty Blythe, Jean Paige, Eulalie Jensen, George Majeroni, Robert Gaillard, Frank Norcross and Robert Mowbray. Directed by Paul Scardon. Harry T. Morey, Vitagraph's big, virile star, has one of the greatest roles in his screen career in this picture "Beating the Odds."

He is seen as a collector of graft in the underworld of a great city, but always according to his own code "on the level" forced to flee, he gets into business, gives up all his old associates for

love of a girl and wins a fortune, and the esteem of all who know him. Then into this life there suddenly comes a woman of his old life as the new wife of the father of the girl he is about to marry. He would spare her, but dare him speak lest the other woman speak also? How he loses all through this other woman and how he finally beats all tremendous odds against him, will be shown at this theatre Tuesday and Wednesday, May 27th and 28th.
